General Director  
Donaev Management Consulting

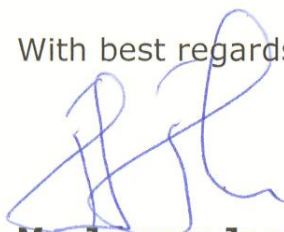

**Dear Mr. Donaev**

With this letter the British Council in Uzbekistan would like to acknowledge the quality and professionalism of work done by your company in regard with the research study "*Challenging Climates: Adapting to Change*".

We had received a good number of positive feedbacks on the report from the participants of Central and South Asia regional science meeting.

We highly appreciate your responsiveness and the way you conduct your excellent services and we look forward to continuing partnership relations.

With best regards,

**Mr. Jeremy Jacobson**
