

DMC-18/07

Date: 31 October 2007

*To whom it may concern:*

Donaev Management Consulting is our partner on MTP EU TACIS Project, being official MTP representative in Uzbekistan. On 26-28 October 2007, they organized Follow-Up Seminar, held in Tashkent and at the rest house in mountains. Government officials, representatives of mass media, diplomatic corps, representatives of International funding agencies, and others were invited to participate in the Seminar.

It was a pleasure to participate in the Follow-Up Seminar in Tashkent - which DMC staff had prepared so well. We took the best impressions with us back from Uzbekistan.
